ARCADIA EXPERIENCE

A 46-story building facing Central Park in Costa Del Este with Studio apartments of 753 and 818 sq ft.

In addition to new services and amenities to be found in the common areas, owners will enjoy the experience of having coffee shops, restaurants and terraces on the ground floor along with recreational green areas of Costa del Este.

This urban concept will be integrated into the lifestyle of the residents of Arcadia.

LOCATION

Arcadia will be located in the exclusive urban area of Costa del Este, with views of the Central Park and along recreational green areas.
